

std::vertexInTriangle

```
graph LR; A[std::vertexInTriangle] --> B[std::baryVertexInTriangle]
```

A diagram showing a relationship between two functions. On the left, a gray rectangular box contains the text 'std::vertexInTriangle'. A blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text 'std::baryVertexInTriangle'. Both boxes have a black border.

std::baryVertexInTriangle
